General Manager, Great Eastern Radio  
Supervisor 2020-2021 *Burlington, VT*  
**wcaswell@greateasternradio.com**  
(802) 291-0500

### David Valesente

Head Baseball Coach, Ithaca College (played for 2017-2018 @ Wells College)

*Garrett Gagnon had been a participating member in our baseball program at Wells College and during that time had demonstrated unparalleled loyalty and extraordinary character. Garrett's participation in baseball at Wells College provided an opportunity for daily contact on and off the diamond. He has continually impressed our staff with a maturity level that exceeds most college students of similar age. He works well with peers and personally demonstrates warmth, dependability, diligence, and especially integrity. Indeed, one would be hard-pressed to find a team member who did not respond favorably to Garrett; especially his professors who have observed his stellar work ethic and successful academic results. A motivated young man, Garrett's contributions enhanced the baseball program. Although he possesses many great qualities, his outgoing personality and willingness to help are major selling points. He was a pleasure to coach and displayed remarkable respect. His public presentation is impressive and his poise under pressure is an admirable trait. I recommend Garrett without the slightest reservation.*

### Mike Czok

Assistant Baseball Coach, Norwich University (played for 2012-2016 @ Randolph HS)

*I had Garrett as a player at Randolph Union and have seen him play at his present school, Pine Manor. He is a pitcher. A classic "junk baller" and a baseball guy through and through. If you are looking for character, work ethic, and baseball knowledge this is someone you want in your program. His enthusiasm for the game will rub off on anyone who loves baseball.*
